Sugar (WSC): 11.15
ADF: 35.10
aNDF: 45.65
RFV: 125
RFQ: 132.15

Inspector Notes:

Nice line of 2025 season 2nd cut Lucerne hay. Scratchy to the feel, presents with good leaf retention and better than average colour. There is a bit of bleaching creeping in with hot days in the windrow. Well stacked and presented.
