Moisture Notes:

Feed Test Results

Moisture: 12.36
Dry Matter: 87.64
ME (Mj/kg DM): 7.13
CP: 7.09
Sugar (WSC): 8.13
ADF: 42.20
aNDF: 70.64
RFV: 74
RFQ: 57.88

Inspector Notes:

Prime grade milky dough grain sorghum hay, self-sown after crop was hit with hailstorm. Has a bit of old crop stubble through bales but I believe this batch quality is the best it could possibly be given the opportunity. Leafy and green holding good hay aroma, cattle will consume well.
