Sugar (WSC): 10.73
ADF: 34.19
aNDF: 41.91
RFV: 138
RFQ: 154.71

Inspector Notes:

Beautiful line of 3rd cut 2025 season Lucerne hay. Baled with a New Holland 6 string HD baler with bales averaging 580kg+. Only thing wrong with this line is that there is only 120 odd bales. Would make the perfect line for someone chasing a couple of BD loads. Nice rich green and distinctive aroma are strong features.
